Why: Participating in a Memorial Day Parade can fulfill rank requirements for the Second Class and First Class ranks. Additionally, the parade will also be seen as a service project and will be recorded as such. Remember, to earn Eagle a scout must have adequate service hours. It is suggested that each Scout aims for 100 service hours while working towards Eagle.

Second Class:

This is considered a Patrol/Troop activity and counts towards requirement 1a

First Class:

This is a great way to demonstrate scout spirit by living the Scout Oath and Law
Also counts towards the required 6 hours of community service for First Class. 3 Of those hours must be conservation related, but this will fill the other 3 hours.

Cost: There is no cost to participate in the Memorial Day Parade
