

Summer Camp Gear Drop-Off

Who:

Everyone going to Summer Camp 2025

When:

6/12/25

Please schedule drop-off times with Linda as each person's gear will need to be inspected for contraband. This is something I'm not comfortable with myself, so I will personally not be going through everyone's gear. The scout, with their parents, will need to go through their gear when they drop it off in the trailer to make sure none of the prohibited items are in their gear.

Time slots will be in 10 minute increments between 6:30 pm and 8:00 pm.

Where:

Linda's Home (it's where the scout trailer is parked)

Cost:

No cost

Why:

According to the Camp Rules this is a requirement before attending camp.

Additional Information:

All medical forms and prerequisites are due at this time.

WE NEED SOMEONE WITH A TRUCK TO HAUL THE SCOUT TRAILER TO AND FROM SUMMER CAMP. ERIK'S TRUCK CAN NO LONGER HANDLE THE LOAD.
