Calling all Scouts—and future Scouts!

Get ready to crawl, climb, and explore the largest cave in PA with your Scout buddies. This exciting "Invite-a-Friend" event is your chance to bring a friend along and show them what Scouting is all about: adventure, teamwork, courage, and fun!

CAVE CRAWL

Wind your way through
natural passages deep
underground.

GEOLOGY DISCOVERY

Learn about rock
formations, fossils, and
cave ecosystems.

SCOUT SKILLS IN ACTION

Practice teamwork,
communication, and
exploration—the
Scouting way!

WHY IT MATTERS:

In Scouting, we challenge ourselves to Be Prepared, try new things, and brave the unknown—just like we'll do in the caverns. Exploring together helps build the confidence, friendships, and leadership skills that Scouting is all about!
